Dr. Nyatsanza
and the staff at Site 1903

~~~~~

Enrollment of your  
First Patient in SIROCCO  
13 September 2007  
This was the first patient  
in United Kingdom

AstraZeneca  
NEUROSCIENCE

## Feedback

- Dr Nyatsanza
  - “I couldn’t have done it without DeNDRoN”
- AstraZenica
  - “...companies should agree to include a proportion of new, untried sites as well as [experienced] high recruiters”.
